

MULTI FACTOR AUTHENTICATION

Quick Reference Guide for Existing Internet Banking Users

Step 1:

Upon first login with the new Multi Factor Authentication product, you will be asked to enter your current Access ID. Once you enter your Access ID click 'Submit' to proceed.

The screenshot shows the Bank of Fairfield login page. At the top left is the logo "BANK OF FAIRFIELD" with the tagline "Down to earth banking since 1908". Below the logo is the word "Login" followed by a horizontal line. Underneath the line, there is a text input field labeled "Access ID:". Below that is a dropdown menu labeled "Take Me To" with "Summary Page" selected. A "Submit" button is located below the dropdown. At the bottom left, there is a link that says "Forgot Your Password?".

Step 2:

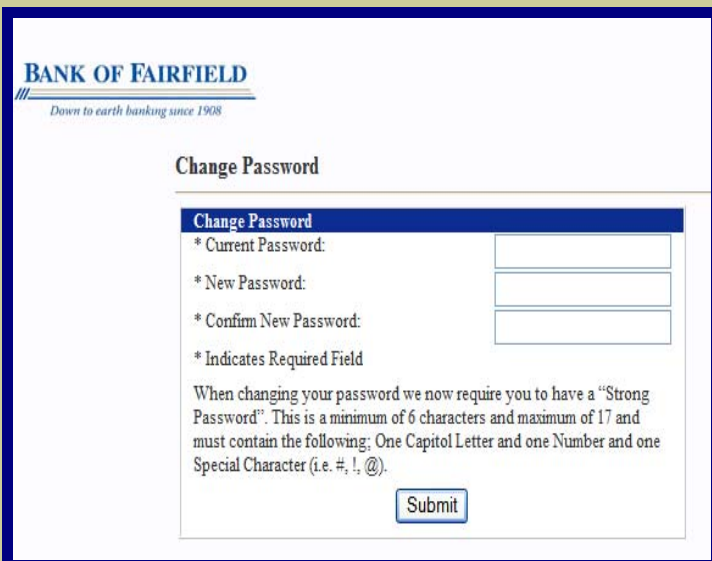

On the next screen you will need to enter a temporary password. This password will be: **ibank + the last four digits of your social security number. (Ex:ibank5555)** After you have entered your password click 'Submit'.

The screenshot shows the Bank of Fairfield password entry screen. At the top left is the logo "BANK OF FAIRFIELD" with the tagline "Down to earth banking since 1908". Below the logo is the word "Login" followed by a horizontal line. Underneath the line, there is a text input field labeled "Password:". Below that is a "Submit" button. At the bottom left, there is a link that says "Forgot Your Password?".

Step 3:

The next screen will only appear the first time you login to the new system. You will be asked you enter your temporary password again and create a new password. After you have entered your new password twice click 'Submit'.

The screenshot shows the Bank of Fairfield "Change Password" screen. At the top left is the logo "BANK OF FAIRFIELD" with the tagline "Down to earth banking since 1908". Below the logo is the heading "Change Password". Underneath is a sub-heading "Change Password" in a blue box. Below that are three text input fields labeled "* Current Password:", "* New Password:", and "* Confirm New Password:". Below the fields is a note: "* Indicates Required Field". A paragraph of text explains the password requirements: "When changing your password we now require you to have a 'Strong Password'. This is a minimum of 6 characters and maximum of 17 and must contain the following: One Capitol Letter and one Number and one Special Character (i.e. #, !, @).". A "Submit" button is located at the bottom center.
